

DECLASSIFICATION REVIEW BY NIMA / DoD

1 May 1964

MEMORANDUM FOR: Assistant for Administration

ATTENTION : Chief, Logistics Branch, AS/LB

SUBJECT : Installation Engineering

1. An inspection-of-progress visit is planned by the contract monitor on Contract [redacted] and on [redacted] with [redacted] on 13 May 1964.

2. It is recommended [redacted] AS/LB accompany the contract monitor on this trip to discuss installation requirements and procedures on the two equipments being fabricated. The [redacted] Plotter, due for delivery in July 1964 has considerable installation problems associated with it and it is felt [redacted] should be brought up-to-date on these problems by the contractor.
